

419 Light Image

Project: _____

Location: _____

Catalog Number	MODEL	WATTS	FINISH	OPTION(S)	SCREEN TYPE
Example: 419-1LED14-BLK-30K-LOGO	419	-	-	-	-

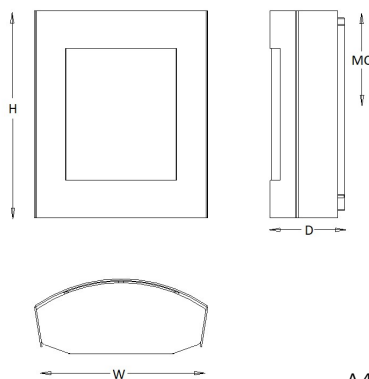

Decorative screens, placed in front of the luminous opening, allow this luminaire to be used as a highlighter of logos, artwork or signage. Available in a variety of LED packages, varied light levels can be provided.

Features:

- Highlight signage, artwork or logos using decorative screens on the luminaire fascia
- A four-color printing process insures all artwork is precise in color and design
- Illustrator or Freehand file types are required for artwork or logos
- Bottom lens standard
- Standard 0-10V dimming driver. 120-277V MVOLT
- Meets all ADA requirements
- Manufactured in the USA

Dimensions

Width	Height	Depth	MC
9.25"	11"	4"	5.25"

A 4" octagonal junction box should be used for installation

MC = Mounting Center, located at center of fixture unless noted otherwise
