

475 Altera

Project: _____

Location: _____

Catalog Number	MODEL	WATTS	FINISH	OPTION(S)
Example: 475-1LED14-NA-35K	475	-	-	-

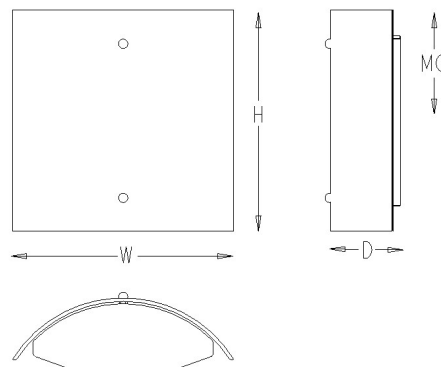

A softly glowing fixture that provides a pleasing and warm feeling. Simple to install, the fixture is perfect for multi-family complexes, healthcare facilities and office buildings.

Features:

- Contoured 3/16" sandblasted acrylic lens shields the LEDs and melts into the décor. Bottom lens standard
- Offered in a variety of LED packages to meet your lighting needs
- Unitized design allows the fixture to be used in even the most restrictive budgets
- Standard 0-10V dimming driver, 120-277V MVOLT, 80 CRI
- Suitable for dry or damp locations
- Meets all ADA requirements
- Buy American Act Compliant

Dimensions

Width	Height	Depth
12"	12"	4"

A 4" octagonal junction box should be used for installation

MC = Mounting Center, located at center of fixture unless noted otherwise
